

2007 SABBA Boerboel shows

Source: Anemari Pretorius, SABBA Executive Committee
Date: 2 August 2007

SABBA invites all Boerboel breeders, owners, lovers and those curious about this unique South African dog to the 2007 Boerboel shows.

There will be six regional shows in all the provinces (except Limpopo). Provincial winners will participate in the National Championship in Parys in the Free State on November 17.

The difference between Boerboel shows and appraisal days is that no appraisal charts are used, and that a panel of 3-4 judges select the winners in each category.

The first five shows will be held during September and the last one on October 6. Interest in these shows has exceeded all expectations. To accommodate breeders and owners who want to attend as many shows as possible, the Northwest and Free State shows will now be on different dates, i.e. September 8, in Potchefstroom and September 15, in Bloemfontein.
