To all Board Members
SABBA

Important notice

Based on the principle of sound governance the Executive Committee of the SABBA has called for a full external audit of the organization. The audit will commence on Monday 10 April 2006.

The following will be verified and reported on

- All financial activities and reporting
- All economical activities and reporting
- All operating practices
- All policies and procedure

This type of audit is long overdue and we trust that this investment will be in the best interest of all stakeholders in the SABBA. A summary of the findings and recommendations will be published in due course.
