

2010 SABBA-Boerboel Shows

Source: Show Chairman
 Date: 16 August

This year the SABBA National Boerboel Show will be held in the Cape. It will take place on Saturday, 20 November at the [Cape Hunt and Polo Club](#) (on the premises of the Durbanville Race Course).

As in the past, regional shows during September and October will precede the National Show. These shows will operate independently from the SABBA Board. Organisers have the mandate to make adjustments according to the needs of members in their regions within the broader show framework. Note that this year, there will not be a separate regional show in the Cape.

The show dates and contact details of the regional show organisers and the National Show Committee members appear below. The SABBA website will publish information upon receipt by the organisers. In the meantime, interested persons are welcome to contact them for further information.
