As in the past, the 2011 SABBA regional shows precede the National Show. According to the Chairman of the Show Committee, Jakkie Erasmus, the shows will follow the same format as in the past. However, judges will be asked to pay more attention to *showmanship* – a winner must be the dog and handler that are the most impressive, and not necessarily the dog with the highest appraisal score.'

To make the events more interesting for, there are two new classes: a Family Class in which a female or male with two of their offspring may participate as a group. The offspring may be of any age or sex and from any litter or service. The second new class is for the Dog of the Year. Any Boerboel of any sex that is older than six months may participate in this class.

The recommended entry fees for the regional shows are:

- 1-3 entries: R150 per dog *per owner*.
- 4 or more entries: R130 per dog per owner.
- Family class: R150 for the team.
- Dog of the Year: R150 per entry.
