

World Boerboel Auction – Participant information

SABBA has already sent invitations to Boerboel owners, who showcased dogs at the 2007 National Show and regional shows to participate in the World Boerboel Auction in Parys in the Free State on 25 October. The organising committee will also consider applications on merit from SABBA members (including members abroad) because they do not want to exclude anybody who was unable to participate in the National Show.

Members who want to offer dogs for auction, are welcome to contact Anemari Pretorius. They may also apply to auction the semen of their sought-after stud dogs by contacting Lood Mienie. To keep the Auction manageable, the organisers have put a limit on the number of entries that they will accept. It is vital that applications reach them as soon as possible, but definitely before 25 September.

Please study the following information in conjunction with the 'Auction Entry form' and 'Importing/exporting Boerboels which are also available on the [SABBA website](#).
