Pre-register to be in time for Show

We have been urging prospective participants to pre-register for the Championship Show for good reason.

Travellers through the streets of Parys on Saturday morning the 7th November may experience delays due to the Dome Festival street mile and other activities.

The street mile starts at 06:30, and will take place in Schilbach Street, which will be closed from the Parys High School to Delver Street until about 09:30. The Expo, also to be held at the School, opens at 08:00. Although the float procession, (through Loop, Bree, Water and St Jan Streets) will start at 09:00 only, the assembly of participants may affect incoming traffic from the R59 (N1 from Gauteng).

Please study the [Parys Street Map](#) to familiarise yourself with the route to the Afridome in Allenby Street.

Remember that there are two registration options via the [Show page](#) on the SABBA website: an online form for direct submission and a form in pdf format for printing and completion by hand. In both instances, please follow up your registration submission by sending us your proof of payment. The contact details for fax, e-mail or cell phone notifications appear on both forms.

Pre-registration closes on Wednesday 4 November at 24:00. Note that the deadline has been brought forward with 24 hours.

Participants who are unable to register in advance are welcome to do so on the day of the Show, but should make provision for the above-mentioned delays. Registration opens at 07:30, and the registration fee of R150 per entry may be paid in cash or by bank guaranteed cheque.
